VINIFICATION

The Gil Family has been farming the land using respectful practices for over a century to sustain healthy soils in their very low production vineyards.

Everything is hand harvested to bring the highest quality grape bunches to their off the grid winery. These practices allow us to craft the very finest Cabernet Sauvignon with just the right kiss of wood. The results are a naturally made Cabernet with a soft gentle body..

TASTING NOTES

This delicious wine is softly textured, full bodied, and well balanced; a ripely flavored wine with moderate depth and a long finish, tasting of plum, cherry, red licorice and modest oak.
