TYPE OF WINE

Young Red

VARIETAL

100% Monastrell

Organic Grapes

AGING

None

ALCOHOL

14.0%

CARBON FOOTPRINT
REDUCTION OF 28%

TASTING NOTES

Cherry red wine with a medium-high layer. On the nose, attractive floral aromas stand out with hints of ripe fruit and a balsamic background. It is balanced and fresh on the palate, lively and tasty with adequate acidity and noble tannins of ripe fruit. A seriously good value, especially in the organic category.

VINEYARDS

The wine was produced under organic regulations established in the European Union norm as well as in the U.S.-NOP certification. There are no chemical products or synthetic pesticides used in production. The vines are planted on chalky soils without irrigation, and with an annual rainfall below 300 mm, the result is very low yields.

Always farmed **organically**.
