TASTING NOTES

Bright in color, the wine exudes aromas of white flowers and fresh fruit, including exotic tropical notes. On the palate it is balanced and has a light and refreshing acidity. This wine is easy to drink and very pleasant.

VINEYARDS

The vineyards of Verdejo are ideally suited to the poor soils and harsh environment in the appellation of Rueda. Located in the west of Segovia, the vines are planted in very sandy soils covered with alluvial pebbles and produce the finest grapes possible in this region resulting in especially elegant, quality white wines.

Always farmed **organically.**
