TASTING NOTES

With an attractive straw yellow color, it presents a balanced and pleasant aromatic set in which elegant floral and ripe fruit notes stand out. It is balanced and well structured on the palate, appreciating sweet and fine notes of white fruits (*banana, apple*) and apricot with light and refreshing acid notes that balance a tasty and long finish on the palate.

VINEYARDS

Ideally suited to the poor soils and harsh environment in the Appellation of Rueda, the vineyards of Verdejo are located in the west of Segovia, and are planted in very sandy soils covered with alluvial pebbles.

The stress on the vines and daily temperature fluctuations of up to 25 degrees help create the fundamental acidity that Verdejo is known for.
